

REMARKS

Entry of this amendment is requested.

A terminal disclaimer is submitted herewith to overcome the provisional obviousness-type double patenting rejection over 10/825,862.

Claim 4 has been canceled and presented as claim 20 solely to avoid any confusion as to the prior amendment of claim 4.

Claims 1 and 13 were rejected under 35 U.S.C. §112, first paragraph, for allegedly being indefinite. Claim 1 has been amended to delete reference to "salts".

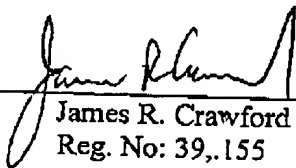

With respect to claim 13, Applicants respectfully traverse. The Examiner alleges that the expression "at least one" in claim 13 is indefinite because it "allows other active ingredients". Applicants respectfully submit that claim 13 is written broadly and does indeed allow for the inclusion of other active ingredients, however, the claim is not rendered indefinite because of this. Withdrawal of all §112 rejections is respectfully requested.

In view of the foregoing, allowance is respectfully requested.

The Commissioner is hereby authorized to charge any deficiency in the fees filed to our Deposit Account No. 50-0624, under Order No. NY-HUBR 1260-US.

Respectfully submitted
